Rock Hill began in our founders' Greenwich farmhouse in 1986. The bakery expanded to Moreau in 1993 and, in 2002, we opened our cafe in downtown Glens Falls. It quickly became the place to gather, talk, play music, read, make art ... and break bread. We plan to rebuild this community hub here in our new forever home. Our bread has always been plant-based, but we became a fully vegan company in 2018. It's our goal to serve you delicious healthy scratch-made food regardless of your usual diet. Feel free to contact me with your feedback. We truly appreciate your support. *Matt Funicello* - Owner
